CAMERON BOYCE BOY GONE TOO SOON

But Cameron Boyce, 13, was not just a talented actor. He was a kind, generous, and funny young man who was loved by everyone who knew him. He was a true star, and his death is a tragedy for everyone who knew him. He was a true star, and his death is a tragedy for everyone who knew him.

He was a true star, and his death is a tragedy for everyone who knew him. He was a true star, and his death is a tragedy for everyone who knew him. He was a true star, and his death is a tragedy for everyone who knew him.
